YMCA PRESCHOOL

The Y has a licensed preschool education program that will help your child prepare for kindergarten, gain social skills, be active and of course have fun. Register now to reserve your spot for the fall. Fall Preschool will begin in September.

One-Time Registration Fee: \$20 (per child, per school year)

Register at the Y Service Center for the 2017 – 2018 school year by simply paying this registration fee. Preschool tuition is paid monthly and you may wait until the end of August to begin paying these monthly fees. Monthly fees are adjusted for months with holidays as needed. Fees may be paid through an automatic bank draft or are due prior to the start of each month.

Y Preschool consists of three age-based classes. Classroom size is limited for all preschools, so we encourage parents to register early.

As with all Y programs, financial assistance for preschool fees is available for families who demonstrate financial need. The application process is simple and quick. You can download an application from the Y's website at www.marionymca.org or obtain one from the Y service center.

A second child in the same household participating in either Explore & Play, Kaleidoscope Kids or Discovery Kids will receive a 20% discount off of the regular fee.
