## DESCRIPTION OF CLASS:

**A.M. HIIT** – This class provides a total body workout with bursts of strength and cardio exercises to build muscle and endurance. All exercises can be modified to fit your level of fitness from beginner to advanced. This class uses free weights and bodyweight for most exercises.

**Anything Goes** – This class combines strength training & cardio. Each class will be different & use a variety of equipment. For example, it may be HIIT, TRX, Tabata, a circuit, weights & the track.

**Barre Blend** – This class fuses exercises from ballet, cardio training, Pilates and yoga into one class to challenge and tone the entire body.

**Beat Boxing Fitness** – Beat Boxing Fitness is a non-stop fat burning cardio class that combines punching, kicking, boxing style moves and dance moves, along with choreographed weight routines from all of the hottest hits on the radio. No gloves needed.

**Beginning Yoga** – Learn the basics of yoga using postures and stretches in combination of the breath to develop flexibility and relaxation.

**Boot Camp** – Difficult exercise class for those who aren't afraid to sweat. Cardio and some strength training.

**Cardio Kickboxing** – This class provides a total body workout that targets cardiovascular and core strength. Bag and floor work included. **Please bring your own gloves.**

**Core 'n More** – Core training is the foundation of all human movement. This class will improve functional strength for the daily activities while using activities that will tighten, tone and focus on the core. We will use body weight, hand weights, exercise balls & bands.

**Cycle** – No complicated choreography with easy-to-learn techniques. Have fun and burn some calories in this heart-pumping class that is on indoor cycle bikes. The class can include some off-bike cardio and toning.

**Cycle & Core** – 30-minute cycle experience to improve your cardio experience followed by 30 minutes of shoulder to hip core work to enhance your movement health.

**Drums Alive** – Choreographed workout using the ball and drumsticks set to music.

**Drums Fitness** – Get a full body workout and release stress in this cardio drumming class that is choreographed and set to music. This class combines drumsticks and an exercise ball to create a fun and upbeat workout that is appropriate for beginners, intermediate, and advanced fitness enthusiasts.

**Extreme Bootcamp** – Extreme conditioning for those with an elite athletic heart. Cardio and strength training.

**Family Yoga** – Great opportunity to bond while learning simple yoga poses and relaxation techniques. This class is open to all ages and family members, we will enjoy playful poses and games to keep everyone engaged. No yoga experience is needed! Offered the second Saturday of the month only. **(This class costs extra and you need to register at front desk)**

**Foundational Yoga** – Learn the basics of yoga including breathwork, transitional poses, and tips for people new to yoga. Offered the fourth Sunday of the month only.

**Grooves** – Get your heart pumping in this full out dance class. Latin hip hop and pop music inspire you to shake it and burn calories.

**Mixed Level Yoga** – This class deeply explores the foundation yoga poses in a variety of yoga styles. This class is designed for those renewing a yoga practice or who want to build upon their yoga.

**MOSSA Group Core** - 30 minutes of shoulder to hip core work to enhance your movement health.

**MOSSA Group Ride** – This class is a thrilling cardio workout inspired by outdoor cycling. It's a great way to improve cardio fitness, burn calories, shape and strengthening your lower body and have fun while doing it.

**Pound** - Using Ripstix®, lightly weighted drumsticks engineered specifically for exercising, POUND transforms drumming into an incredibly effective way of working out. Designed for all fitness levels, POUND® provides the perfect atmosphere for letting loose, getting energized, toning up and rockin' out! Come be a Rockstar with us!

**Power Conditioning Kickboxing** – A fight-based program with the goals of improving athletic performance, cardiovascular endurance, speed, strength, agility, techniques and confidence. In this process you can learn lifelong fitness and movement skills.

**Pump** – This is a total body, heart pumping, strength, cardio workout. Full body strength training workout with bursts of cardio that will tone your body and build your endurance.

**Silver Sneakers Circuit** – Silver Sneakers Circuit focuses on the benefits of a circuit-interval format to improve cardiovascular endurance, and muscular strength and endurance. While designed for those who have demonstrated a consistent level of skill for agility, balance and coordination.

**Silver Sneakers Classic** – Hand weights, elastic tubing with handles and a ball are offered for resistance and a chair for seated and standing support.

**Silver Sneakers Yoga** – This beneficial and gentle yoga class is designed to enhance mobility and flexibility, balance and confidence. This class utilizes modified yoga poses, seated or standing, using a chair for support to strengthen the body.

**MOSSA Strength Train Together** – This class maximizes your workout results with choreographed routines for all and all body workout. This class uses barbells, dumbbells, and bodyweight.

**Tai Chi for Arthritis** - Learn the slow, graceful exercise, which originated centuries ago as a martial art, which can improve balance, and reduce stress.

**Total Body Toning** – This class focuses on total body wellness, strengthening both cardiovascular and muscular systems with various types of exercise and equipment.

**Turn Up and Tone** – This class incorporates the use of weights to focus on toning and targeting specific muscle groups with each song and dance.

**Turn Up Thursday Dance Class** – Turn Up Dance Fitness is not just a dance fitness class – it's a fun and emerging twist to your fitness routine. There are modifications for every move so come Turn Up on Tuesdays with Courtney.

**Vinyasa Yoga** – This yoga class combines a series of poses that will move you through the power of inhaling and exhaling.

**Y Circuit** – This class incorporates cardio and strength training segments, increasing the overall intensity of the class. Focuses on all major muscle groups to improve muscular tone, endurance, strength and cardiovascular fitness.

**Y Kidz Yoga** – offers a safe, inclusive, and dynamic environment for kids to explore their natural flexibility, develop physical strength, and build emotional resilience with mindful movement, games, breathwork, and visualization to promote overall well-being. **(This class costs extra and you need to register at front desk)**

**Zumba** – Combine high energy and motivating Latin and pop music with unique moves that are easy and fun.
